EXPERIENCE

Marketing Intern – Mitticool Clay Creation

Oct 2025 – Jan 2026 (3 months)

- Assisted **4–5+ walk-in customers daily** in the showroom, including visitors from other cities, states and countries; explained products to visiting college and school groups.
- Handled around **10–12 customer inquiries** received through IndiaMART and followed up with interested buyers by phone.
- Uploaded and managed around **100 products** on IndiaMART and TradeIndia.
- Managed the company Instagram page for a few days and replied to customer queries.
- Visited the manufacturing unit and warehouse to understand production, storage and day-to-day operations.
- Completed the internship with an **A+ performance grade**.

PROJECTS

SEO Pulse – SEO Blog (WordPress)

Jun 2026

- Published 4 articles on SEO trends, Google algorithm updates and AI in SEO. Applied on-page SEO (meta tags, schema markup, robots.txt, XML sitemap) and used Google Search Console.

How AI and Technology Reshaping the World – Blog (Blogger)

Jul 2026

- Created and published a technology blog with an article on 10 AI tools for professionals in 2026.

Social Media Practice Pages

2026

- Created and managed practice pages on Facebook, Instagram, X and LinkedIn, and practised email marketing, using Meta Business Suite to learn page management.

Google Business Profile for a Local Shop

2026

- Created and set up a Google Business Profile for my father's shop to practise local SEO and online visibility.
